New Call System Now Live

We are pleased to confirm that the new call system installation is now complete. From **Monday 13th April**, emergency calls made through the system will be answered by a member of the Staff Team during weekdays, with an external Call Centre providing cover at weekends. **Working hours: Monday to Friday, 8.30am – 4.30pm.** To support the health and wellbeing of both residents and staff, we kindly ask that **outside of these working hours, all emergency or urgent contact is made using the new call system rather than personal mobile numbers.**

This ensures that:

- Your call is responded to promptly
- The appropriate support is arranged efficiently
- Staff wellbeing and work-life balance are protected
- Consistent and reliable cover is provided for everyone in the Almshouse community

Using the call system helps us ensure that **everyone receives the right support at the right time**, while maintaining a sustainable and fair approach for the whole community.

If you have any questions about how the system works, please contact the Master. Thank you for your patience while this installation has been carried out and for your support in helping us make this new system work effectively for everyone.

Resident Activities - Craft Activities:

This month's session will take place on **Thursday 16th April** immediately after coffee morning in **Ebor Hall**.
