Important – Service Times

There will be a number of changes to the mass times over the next few weeks; These will affect services from **Monday 12th to 31st October**. Please check mass times carefully.

Fire Curtains

Residents are reminded that contractors will be on site during the replacement of the fire curtains. **Please take extra care** when walking around the Hospital grounds and be mindful of the increased contractor activity.

Woodland Path and Diseased Trees

Work to remove the diseased trees is due to commence tomorrow, **19th October**. The woodland path will remain closed, and a safety exclusion zone will be in place while the tree surgeons are working. These safety measures are in place to protect the health and safety of residents, visitors, contractors and tree surgeons. **Please observe all closures and exclusion zones and do not enter restricted areas.**

For further details, please refer to the Clerk's letter.

Fungus Walk and Talk – Tuesday 27th October

Brothers and Sisters who have not yet done so are kindly asked to let the Matron know if they wish to attend, so that appropriate catering arrangements can be made. Thank you for your help.
